AFFIRMATIONS &  
ANNOTATIONS

Advice to help you along  
the way.

DR. KELLY K. HOPE

"To My Sisters" is a book of affirmations and annotations. It includes lessons, affirmations, and advice I've gathered over the years. I took my experience as a seasoned educator, interactions as a mentor and coach, perceptions as a black woman in America, and encounters with success and struggles to create this resource for "my sisters".
